

# BINGO Equipment For Sale

That's right, we are selling our BINGO Equipment! You can see here that we have the large lighted board; the color video camera for displaying the current ball on monitors; and the BINGO Machine itself.

Please contact [council1372@sunflower.com](mailto:council1372@sunflower.com) or call (785) 842-2699 if you are interested.
